Hollow Mask

Feat

Bleach Edition

Hollow Mask

Prerequisite: Reiatsu Control feat, 4th level

You can now don a devilish mask, forcing your spiritual pressure into a violent, predatory shape. The mask grants tremendous battle power, but it cannot be sustained for long. You gain the following benefits:

Hollow Mask. As a bonus action, you manifest your Hollow mask for 1 minute. It ends early if you are incapacitated, and you can end it on your turn (no action required). While the mask is active, you gain the following benefits:

- Your walking speed increases by 10 feet, and opportunity attacks against you are made with disadvantage.
- You gain temporary hit points equal to twice your proficiency bonus.
- Once on each of your turns when you hit a creature with a weapon attack or a spell attack, you deal extra force or necrotic damage (your choice) equal to your proficiency bonus.
- You have advantage on Charisma (Intimidation) checks
- You have disadvantage on Charisma (Persuasion) checks.

When your Hollow mask ends, you must succeed on a Constitution saving throw (DC 10 + your proficiency bonus) or gain one level of exhaustion. Once you use this bonus action, you can't do so again until you finish a long rest.
