Summoning Igon. Igon may be summoned by a creature using a bonus action if they have found and inscribed one of his drake sigils, usually carved in crumbling ruins or etched into forgotten weaponry. Upon summoning, Igon manifests mid-air with a thunderous voice and the following monologue:

"Curse you, Bayle! I hereby vow! You will rue this day! Behold, a true Drake Warrior! And I, Igon! Your fears made flesh! Solid of scale you might be, foul dragon… But I will riddle with holes your rotten hide! With a hail of harpoons! With every last drop of my being!"

He remains until slain, or until Bayle dies. His soul cannot rest until Bayle is destroyed.

Aura of Defiance. While within 30 feet of Igon, all allies gain advantage on saving throws against fear and charm effects. Igon's sheer stubborn will ignites courage in the hearts of mortals.

Bayle's Bane. If Igon is within 60 feet of Bayle, he gains 1 Ghostly Harpoon charge at the start of his turn, up to a maximum of 3. Bayle suffers disadvantage on concentration checks or Wisdom saves made within Igon's aura of 30 feet.

Actions

Ghostly Harpoon (Recharge 5–6 or spend 1 charge). *Ranged Spell Attack:* +6 to hit, range 60 ft., one target (Bayle preferred). *Hit:* 13 (3d8) force damage. If the target is a dragon, it takes an additional 7 (2d6) radiant damage, and cannot benefit from Legendary Resistance until the end of its next turn.

Harpoon Storm (Spend 3 Ghostly Harpoon Charges). Igon conjures a phantom barrage of spectral harpoons that pierce scales. Bayle must make a DC 16 Dexterity saving throw. On a failure he takes 31 (6d8 + 4) force damage, loses 1 Legendary Action and triggers the Fractured Stormheart special weakness. On a success he only takes half damage.

Reactions

Final Death. When Igon reaches 0 HP, he lets out one final scream heard by all:

"YOU WILL HAUNT ME NO LONGER!!!"

All allies within 60 feet gain temporary hit points equal to 10 + their proficiency bonus. Aditionally, Bayle is silenced until the start of his next turn, and his recharge abilities fail to recharge next turn.
