Reiatsu Control

Feat

Bleach Edition

Reiatsu Control

Prerequisite: 13 Wisdom or 13 Charisma.

You have learned to regulate the flow of your spiritual pressure, masking your presence when caution is required and unleashing it to cow the weak willed. You gain the following benefits:

Spiritual Sense

You have advantage on Wisdom (Perception) checks made to notice creatures that aren't Constructs or Undead and that are within 60 feet of you, provided they aren't behind total cover.

Suppressed Presence

As a bonus action, you can suppress your Reiatsu for 10 minutes. For the duration, you gain advantage on Dexterity (Stealth) checks, and you can't be detected by features or effects that detect creatures, as well as spells under 4th level. You can use this feature a number of times equal to your proficiency bonus per long rest.

Oppressive Release

As a bonus action, you unleash your Reiatsu in a focused surge. Each creature of your choice within 10 feet of you must succeed on a Wisdom saving throw against your Reiatsu save DC (8 + Prof. Bonus + Wis/Cha Modifier) or be frightened of you until the end of your next turn. A creature that succeeds on the saving throw is immune to your Oppressive Release for 24 hours. You can use this feature a number of times equal to your proficiency bonus per long rest.
