DUALINK

Stampeding Tusks

Spell

Elden Ring Sote Edition

Stampeding Tusks

7th-level evocation

Casting Time: 1 action

Range: Self (30-ft aura; 60-ft range for tusk charges)

Components: V, S

Duration: Concentration, up to 1 minute

Spell Lists: Sorcerer, Warlock, Wizard.

You summon the spectral memory of Commander Gaius, manifesting jagged earthen tusks that erupt from the battlefield and thunder forward like charging boars. The ground itself turns hostile to your foes, funneling them into lanes of unstoppable momentum.

Crushing Pulse. When you cast this spell, the ground shatters. Each creature of your choice within 20 feet must make a Strength saving throw. On a failed save, a creature takes 3d10 slashing + 3d6 force damage, is knocked prone, and is pushed 10 feet away. On a success, the creature takes half damage and isn't moved. After this eruption, the battlefield within 30 feet of you becomes Jagged Ground: difficult terrain for enemies, while allies ignore it.

Stampeding Tusks. Two spectral boar-tusk blades hover at your side. At the start of each of your turns while concentrating, you may direct each tusk to charge at a creature of your choice within 60 feet. Each tusk automatically hits, dealing 2d6 slashing + 1d6 force damage. Additionally, the target is also

pushed back 5 feet unless it is Huge or Gargantuan.

The number of tusks you can direct per round is equal to the number you currently have active.

Reactive Gore. Once per round, when a creature hits you with a melee attack while any tusks remain, one tusk lashes out at that attacker, dealing 1d6 slashing damage. The number of times this can trigger per round is equal to the number of tusks you currently have active.

Special. Though this spell appears on the Sorcerer and Wizard spell lists, the spirit of Commander Gaius may grant his favor to warriors of proven mettle. A martial character (such as a Fighter or Paladin) who possesses Gaius' Remembrance may expend the scroll to invoke this spell once, as if cast at 7th level, even without spell slots or spellcasting ability. When used this way, the scroll is consumed.

At Higher Levels. When you cast this spell with a higher-level slot, you summon additional tusks:

- 8th level: 3 tusks.
- 9th level: 4 tusks.

When Gaius charged, the world itself seemed to split apart, the land breaking before him not out of fear, but out of memory.
