DUALINK

Schrifts I-M

Feat

Bleach Edition

Schrifts I-M

A Schrift is a Quincy letter engraved upon the soul, awakening a singular, character-defining ability. The feats below present Schrifts as player options.

Schrift Bearer

Prerequisite: Quincy (or Wandenreich training), 4th level

You have awakened a Schrift.

- **Quincy Ability.** Choose Wisdom or Charisma.
- **Schrift Save DC.** Your Schrift save DC equals 8 + your proficiency bonus + your Quincy Ability modifier.
- **One Letter.** You can take this feat only once. Once you have this feat, you can take one Schrift feat from the list below. You can't gain a second Schrift feat unless a feature explicitly allows it (DM's discretion).

Schrift: I - The Iron

Prerequisite: Schrift Bearer

As a bonus action, you harden your body for 1 minute.

While hardened, you have resistance to bludgeoning, piercing, and slashing damage from nonmagical attacks.

The effect ends early if you are incapacitated.

Once you use this bonus action, you can't use it again until you finish a long rest.

Schrift: J - The Jail

Prerequisite: Schrift Bearer

As an action, choose one creature you can see within 60 feet.

The target must make a Strength saving throw against your Schrift

save DC.
On a failed save, the target is restrained until the end of its next turn, and it can't teleport while restrained in this way.
On a successful save, the target's speed is reduced by 10 feet until the end of its next turn.
You can use this action a number of times equal to your proficiency bonus, and you regain all expended uses when you finish a long rest.

Schrift: L - The Love

Prerequisite: Schrift Bearer
As an action, choose one creature you can see within 60 feet.
The target must make a Wisdom saving throw against your Schrift save DC.
On a failed save, the target is charmed by you until the end of your next turn, and it can't take reactions while charmed in this way.
On a successful save, the target is immune to this effect until the end of your next turn.
You can use this action a number of times equal to your proficiency bonus, and you regain all expended uses when you finish a long rest.

Schrift: M - The Miracle

Prerequisite: Schrift Bearer, 12th level
When you would be reduced to 0 hit points, you can drop to 1 hit point instead (no action required).
Once you use this benefit, you can't use it again until you finish a long rest.
