Spectral Advance

3rd-level necromancy

Casting Time: 1 bonus action
Range: Self
Components: V, S
Duration: Instantaneous

You surge forward as your body partially dissolves into black mist.

You immediately move up to **10 feet** without provoking opportunity attacks.

If this movement ends closer to a creature than where you started, and the movement was directly toward that creature in a straight line, choose one creature within 5 feet of you.

The target must succeed on a **Constitution saving throw** or become **stunned until the end of your current turn**.

On a successful save, the creature instead has its speed reduced by 10 feet until the start of your next turn.

This movement does not count as teleportation.
